

Sidewalk Supporters –

As many of you know, this year will mark the 11th Annual Sidewalk Moving Picture Festival, held, as always, in Birmingham's historic Theatre District September 25-27.

This year marks a new beginning for the festival as we search for a new Alabama Moving Image Association (AMIA) Executive Director. Catherine Pfitzer, who handled the ED duties during the past few transitional years, will be amicably moving on to other pursuits, thus opening the door for a new Sidewalk leader focused on stability and growth as we enter our second decade in business.

Our extensive search will invite local, regional and national applicants, ensuring the best possible fit for Sidewalk, now an established cultural icon for the City of Birmingham and the state of Alabama.

We will keep you updated throughout the coming months on our Executive Director search, our ongoing Salon and Scramble events and of course, this fall's film lineup as the date draws closer.

Interested and experienced candidates for the available AMIA Executive Director position should visit www.sidewalkfilm.org for more details. Thank you for your ongoing Sidewalk support!
