

Imagine a better Birmingham... Now tell us what you see.

Whether you bike, ride or walk - in a "livable community" people of all ages and abilities can get where they want to go safely, and everything is nearby. AARP wants to hear your ideas and dreams for a more "livable" Birmingham.

Join us at one of our Active Living Community Workshops June 29th through July 1st to tell elected officials, transportation planners and neighbors what is important to you.

The meetings are free - we ask only that you bring your ideas for a better Birmingham.

The workshops will be led by a nationally known expert on livable communities, Dan Burden of the Walkable and Livable Communities Institute. He will share computer-generated images to show how small changes in your community can make a big difference.

**Seating is limited, and
registration is required.**

Reserve now by calling

1-877-926-8300.

We hope to see you there!

If you can't make it to the meeting, AARP Alabama is on Facebook at <http://www.facebook.com/aarp.alabama>. Become our friend and post your ideas on our page. We will also post regular updates to our AARP Alabama web page, <http://www.aarp.org/states/al/>, if you would like to keep up with what we're doing in Birmingham and throughout the state.
